Pre-Conference Workshop with Dr John Arden, USA Mind-Brain-Gene: Toward Psychotherapy Integration Tuesday 21 May 2019

John Arden PhD, is a Psychologist, award winning author and international speaker. The workshop incorporates latest research about the capabilities of the brain and the body with psychotherapy research, synthesising the biological with the psychological to create an integrated vision for contemporary best psychotherapy practice. John will describe applications of this integrated approach to the clinical assessment and treatment of depression, anxiety and trauma, using practical examples and case studies.
